From Term One 2018, the Ministry of Education will no longer provide the Woodlands Park and Laingholm school bus services for Green Bay High.

AT Metro will be taking over the operation of the Woodlands Park and Laingholm school bus services that were provided by the Ministry of Education during 2017.

Auckland Transport has agreed to provide these services from Thursday 1 February 2018.

Morning Timetable	075	076

Change to direction of afternoon routes

For passengers getting off these buses after the roundabout at the intersection of Woodlands Park Rd and Huia Rd, there is a change to where you will get off the bus. Both buses will travel in a clockwise direction around the Laingholm-Huia loop, travelling along Laingholm Drive before Huia Road, like the 171 public bus service. This means passengers will get off the afternoon bus at the same bus stop as they use in the morning to get on the bus. This is because there are official AT bus stops on only one side of the road in this area. If you get on/off the bus in the section of Huia Road between the roundabout and Laingholm Primary, you will use the 075 bus in the morning and the 076 bus in the afternoon.
